AYCO Empowering African Youth Through Cultural Exploration

Envision a captivating adventure for young African immigrant students, where wide-eyed wonder meets transformative exploration. This isn't just a journey; it's a venture into ancestral lands, a deep dive into cultural tapestries, and a powerful bond with heritage shaping their identities. Join us in funding a groundbreaking program, bringing these youths back to Africa for an immersive experience reconnecting with their roots.

WE NEED YOUR HELP!

Your generous contribution to this cultural trip will not only empower these students but also enrich the tapestry of our society. By investing in their cultural exploration, you are investing in their future, their success, and their ability to become pillars of our community.

Join us on December 26th 11AM-4PM!

We're hosting a mini fundraiser featuring a diverse range of student and community items, including bakery goods, crochet items, drinks, art, and more. All proceeds generated from this event will contribute to the Back to Our Roots initiative.

Join us during this season of giving to support a great cause and contribute to greatness!
