BRIDGE HEALTH & DISABILITY

Community Health and Education

We are excited to announce our Annual Health Fair which will be on **Saturday June 22nd 2024** from **1pm-5pm**. We are looking for vendors to participate. This event attracts a large turnout each year, providing excellent exposure and networking opportunities for participants. Our goal is to inform and educate our community members about health education and how to navigate the health system.

Contact our Community Health and Education manager for more information.
